#### NOTICE

The following Order in Council, No. 120, was approved on the 22nd day of January, 1958, and by this notice is effective as of noon on January 30th, 1958:—

HIS HONOUR the Lieutenant-Governor in Council has been pleased to report that a reserve on all ores of iron and manganese was placed by Order in Council No. 138, approved January 19th, 1951:

And to report further that it is considered desirable to remove the reserve to the extent hereinafter set out:

And to recommend that in accordance with the provisions of section 14 (6) of the "Mineral Act" the reserve on ores of manganese and on all ores of iron except magnetite, hematite, limonite, and siderite be cancelled:

And to recommend further that the reserve on the ores of iron known as magnetite, hematite, limonite, and siderite be cancelled for the Mining Divisions of Vancouver, Victoria, Nanaimo, Alberni, and Skeena, subject to the following terms:—

1. For the purposes of these terms, the words "ores of iron" mean magnetite, hematite, limonite, and siderite.

2. Where a free miner wishes to obtain the right to ores of iron that are in the Crown and have been under reserve, he shall declare to the Mining Recorder when recording a claim that ores of iron occur or may occur within the boundaries of the claim he is recording, and the Mining Recorder shall make a notation on the record of the claim that it includes ores of iron. In the absence of the declaration and notation the ores of iron remain in the Crown.

3. A free miner who has located and recorded a mineral claim on or after January 19th, 1951, and who wishes to obtain the right to Crown ores of iron within its boundaries, shall notify the Mining Recorder in writing that ores of iron occur or may occur within the boundaries of a claim for which he has a record, and the Mining Recorder shall make a notation on the record of the claim that it includes ores of iron. In the absence of the declaration and notation, the ores of iron remain in the Crown.

4. Where any person has obtained a lease of a reverted Crown-granted mineral claim under the "Taxation Act," or of an escheated claim under the "Escheats Act," and wishes to obtain the right to the Crown ores of iron, where such are reserved to the Crown, he shall surrender his lease to the Crown and apply for a lease under section 166 of the "Mineral Act," and the Mining Recorder shall make a notation on the lease that it includes ores of iron. In the absence of the declaration and notation, the ores of iron remain in the Crown.

5. Where any person who is the registered owner of a Crown-granted mineral claim wishes to obtain the right to Crown

ores of iron, where such are reserved to the Crown, he shall reconvey his rights under the Crown grant to the Crown and apply for a lease under section 166 of the "Mineral Act," and the Mining Recorder shall make a notation on the lease that it includes ores of iron. In the absence of the declaration and notation, the ores of iron remain in the Crown.

6. Where any person has obtained a lease of a mineral claim under section 166 of the "Mineral Act," and wishes to obtain the right to Crown ores of iron, where such are reserved to the Crown, he shall notify the Mining Recorder in writing that ores of iron occur or may occur within the boundaries of the claim for which he has a lease, and the Mining Recorder shall make a notation on the lease that it includes ores of iron. In the absence of the declaration and notation, the ores of iron remain in the Crown.

7. The holder of a mineral claim or lessee of a mineral lease who has complied with such of the provisions of clauses 2 to 6 as are applicable to him has the right to one-half of the iron ore within his location. The right to the remaining one-half remains in the Crown.

8. (1) A holder or lessee who has obtained the right to one-half of the iron ore within his location, before removing his share of the iron ore from the location, shall enter into a written agreement with the Minister that states clearly how the division of the iron ore within his location is to be made. A copy of the agreement shall be attached to the record or lease.

(2) A holder or lessee has the first right to mine and sell the Crown's share of the iron ore, subject to the approval of the Minister and subject to such rates of royalty and taxes that are payable on the holder's or lessee's share of the ore.

(3) If the holder or lessee fails to produce his share of the iron ore and the Crown wishes to produce, or have its share produced, it has the right to do so and to produce other minerals associated in minor amount with the iron ore.

9. In addition to the work required to be done in accordance with the provisions of section 49 of the "Mineral Act," the holder of a mineral claim, within the boundaries of which ores of iron are acquired under the terms of this Order, shall do or cause to be done work on the claim itself in the third record year, after notice given by the Minister lifting the reserve, to the value of \$700 or a total of \$800 for that year, and \$900 in the fourth year or a total of \$1,000 in that year, and for each and every year thereafter.

10. If more work is done in any record year than is required, the excess work may be recorded to meet the work requirements of the claim or lease for not more than the four years following the year in which it is recorded.

11. Any person who has obtained a lease in accordance with the provisions of clauses 4, 5, or 6 shall comply with the work requirements of clause 9 for five years and thereafter until he can provide the Minister with a report by a mining or geological engineer registered with the Association of Professional Engineers of British Columbia that further work is not justified at that time.

And further to recommend that the record or lease of every mineral claim recorded since January 19th, 1951, shall be deemed to include all ores of manganese and all iron-bearing minerals other than magnetite, hematite, limonite, and

siderite, provided the said ores and minerals were in the Crown when the record or lease was obtained.

And further to recommend that Order in Council No. 2589, approved October 30th, 1957, be cancelled.

And that the undersigned Minister of Mines do sign an Order to that effect.

The objects of the Society are:—

(a) To pledge loyalty of the members of this Association to Jesus Christ, the Incarnate Word, the Saviour of Men, the Redeemer of Israel, the King of Kings, the Lord of Lords, and the Only Ruler of Princes; to the Bible, as the ever-living written Word of God; to the Throne of the House of David, now officially established at St. James' or St. Jacob's, the capital of the British Commonwealth of Nations:

(b) To teach and publish that the Great Charter underlying the Throne and organization of the British Commonwealth of Nations consists of the Brith or Covenant entered into between El Shaddai (God Almighty) and Abraham and Sarah, and confirmed to Isaac and Jacob, to the House of Israel, and in certain particulars to the House of David; that the Brith or Covenant entered into primarily with Abraham the Brith-Ish (which, being interpreted into English, means the Covenant-Man), includes as later developed, the title to immense territories of land as an everlasting heritage; the organization and everlasting perpetuation of national life founded upon a secured civilization; immunity from destruction by enemies; the Brith-Annia, or Covenant of the Deep, or Rule of the Sea; ordinances of Worship and Salvation; a national constitution, not only immeasurably superior to any other code of laws, but absolutely perfect for such a world as this, and capable of universal application; the Virgin Birth and redemptive Sacrifice of the Lord; the establishment of the Throne of David forever; the return and reign of the King of Kings; the final triumph of God's purposes in Israel on this Earth; that by the principles of the constitution given under the Brith, or Covenant, human history has been directed and controlled to this day; and the divergence from it on the part of men and governments has been the direct cause of the confusion and suffering among the nations:

(c) To acquire land and build, maintain, and operate buildings, plant, machinery, and equipment for the purpose of the Society, including halls, libraries, and residences and such other buildings as may be required for carrying out the purpose of the Society:

(d) To establish, maintain, and operate printing-presses, and to print books, tracts, and other literature (newspapers) and such, and to build, establish, operate, and maintain contracts for and employ radio stations, television, cinematograph, or any other form of publicity, propaganda, or any other method of proclaiming the teachings of this Society, and generally to carry on the business of printers, publishers, stationers, book-binders, or any branch of such business:

(e) To borrow money for the purposes of the Society, and to mortgage or pledge the property of the Society, both real and personal, as the Society shall see fit, and in respect thereof to grant and execute promissory notes, contracts, or other writing to secure payment of any money so borrowed as the Society shall see fit, subject in every case to the laws of the Province of British Columbia applying thereto:

(f) To enter into affiliation with, and to co-operate with, any corporation, association, or society, having objects similar to the objects of this Society, which it may desire to support or with which it may desire to affiliate or co-operate:

(g) To adopt by-laws or regulations governing the admission of members and (or) branches into the Society, the termination of membership, the election of officers, the holding of meetings, and any other matters necessary for the conduct and pursuit of the objects and business of the Society:

(h) To promote the unity of all the British Israel Associations, societies, branches, classes, and members in Canada, as nearly as possible upon a basis of voluntary organization and operation. The operations of the Society are to be

chiefly carried on in the Province of British Columbia, but the Society may extend its operations as provided in paragraph (i) hereof:

(i) To promote the objects and to carry on the work of this Society in the Province of British Columbia and in any of the Provinces of the Dominion of Canada or in any country of the world, subject to the laws of each Province or Country to which the operation of this Society shall extend. fe6—2395
